It's All About the Care

Personal care at its heart

Our residents are at the heart of everything we do and their wellbeing is paramount. We pride ourselves on delivering care to the highest standards. We try to learn as much as possible about each person who lives with us, so that we can provide them with care and support tailored to their individual needs and preferences.

A home with warmth and understanding

We believe that our residents should enjoy life in an atmosphere of warmth and understanding. Residents are cared for by people who appreciate their need for privacy and who will respect their dignity and freedom of choice.

Working closely with Dementia UK

We are among the first care providers to employ our own specialist Admiral Nurses and have been leaders in exploring other innovative ways of caring for people living with dementia, such as themed destination areas and meaningful activities.

Compassionate, professional and friendly

Our 48 bedroom home, specialising in dementia and residential care is split over three floors and incorporates a number of features to promote reminiscence as therapy. Our dedicated, professionally trained team is on hand 24 hours a day, seven days a week to offer you the support you need, when you need it.

The Orders of St John Care Trust (OSJCT)

OSJCT is one of the UK's leading not-for-profit care organisations working solely to provide high quality care for older people.

Our care is underpinned by the ethos of our sponsoring Orders, The Sovereign and Hospitaller Order of Malta and The Venerable Order of St John of Jerusalem.

Drawing on their 1000 year history of care, they nominate volunteer Trustees to help to ensure the quality of our care runs through everything we do.
