

**ValleyCare** by Care Sante

**EXCEPTIONAL CARE AT HOME**

Reignite your passion for life

**Care Sante puts people first. Expect to be in control of your care planning & day-to-day support**

We celebrate your individuality, so you can be sure your care will be tailored to your needs. We'll help you achieve what's most important to you, whatever it is!

We invest in and value our people. In turn, they'll do the same with you. We share a common goal - for you to live a full, satisfying life. Whatever your needs or lifestyle, you'll be valued, respected and met with a warm welcome.

We offer short and long-term support including respite, rehabilitation, palliative and end of life care as part and hourly visits, longer sits, 24-hour and live-in care.

Now accepting new private, local authority & NHS funded clients

Help with:

**Personal care**

**Medication support**

**Socialising**
