## **Our care team**

At Abbotsleigh Mews, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

**“We have nothing but praise for the loving and caring way he is looked after by every single member of staff.”**

# Life at Abbotsleigh Mews

We're a warm and friendly community where everyone's welcome, including the friends and family of our residents. It's very important to us that our residents are happy, so we make sure that we listen carefully to their thoughts and ideas as well as those of their loved ones.

## Activities

Our team of coordinators plan enjoyable, stimulating things to do for all of our residents, according to their needs and mobility. For example:

- outings to places like garden centres and the local shops
- arts and crafts
- flower-arranging and baking
- sewing and knitting
- gentle gardening
- visits from pre-school children for stories, games and colouring

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or in their room.

## Fresh, healthy food

Good food is an important part of life, so we prepare delicious meals which can be enjoyed in our social dining areas or in the comfort of the resident's own bedroom.

There are plenty of favourites on the menu, but we also talk to each resident when they move in about their likes, dislikes, and any special dietary needs.

## Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

## Celebrating special occasions

We have several dining areas where families can host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

## Visits from family and friends

Loved ones can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and also tell us about any dietary requirements.
