Good food is important to all of us

A great food and dining experience can be the highlight of everyone’s day. Mealtimes are a chance for our residents to get together and chat over varied and tasty dishes, freshly cooked by our in-home chefs.

Meal times

In our home, meal times are very social. Family and friends are welcome to enjoy a meal with you, or if you prefer to eat some meals in your own room, we’ll happily serve the food to you there.

As well as a selection of dishes for breakfast, lunch and dinner, we prepare fresh bakes every day to enjoy with your morning coffee and afternoon tea.

For the days when you fancy something light, our Something Simple menu is ideal. And if you get peckish later on, you can take your pick from the Night Bite menu.

Food to look forward to

Our Menu Collection means you can choose from a range of tasty dishes, freshly prepared and tailored to your own preferences.

When you move in, the chef will talk to you about your likes and dislikes, and you can relax knowing any dietary needs will be catered for.

Celebrations and events

Food is an important part of any celebration, and it’s no different in our home. For our parties and events, the chefs create wonderful celebration buffets and sweet treats to enjoy alongside music and entertainers.

We have an open lounge area that can be used for family events such as birthday parties, and a library which can be transformed into a more private setting. We’ll just need to know in advance. Plus, we can arrange catering for an additional fee.

Do the things you love

Meals aren’t the only social occasions in our homes. Activities are at the heart of life here, and we encourage all kinds of indoor and outdoor interests.

All kinds of activities

Our activity co-ordinators organise fun things to do such as:

- arts and crafts
- entertainers
- bingo and quizzes
- animal visits
- flower arranging
- poetry readings

If you prefer, we can also bring activities to your bedside.

Our community

We have great links with our local community. We'll help you to stay in touch with your own circles of friends and interests, and you'll be able to join in with what's going on locally.

Part of local life

Our care home is very much part of the community. We get together whenever we can – for things like summer and Christmas fairs, garden parties and charity events.

Community events and celebrations

Whether it's the cup final, Strictly or a royal occasion, we'll organise a get-together so you can join in and be part of it all.

Multifaith support

If faith is important to you, it's important to us. We can help you to attend your localworship centre.
