WELCOME TO ADMIRALS REACH

Situated in a quiet residential area of Chelmsford, Admirals Reach offers nursing, residential, residential dementia, and nursing dementia care for up to 158 residents.

In addition to spacious, ensuite bedrooms, Admirals Reach provides a host of areas to relax, dine, and socialise, including several sitting and dining rooms, a bright and airy Garden Room and our sunny conservatory. Our on-site hair salon is perfect for some pampering and relaxation.

For a spot of fresh air, we have a pretty landscaped garden, which is often tended to by green-fingered residents, and is the perfect place to spend time with family or friends in fair weather.

FACILITIES & LIFESTYLE

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider individual medical, personal, and dietary needs as well as hobbies and preferences to make Admirals Reach feel like home.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities. Nutritious and locally sourced meals and snacks ensure residents enjoy a healthy diet based on their individual needs and preferences.

Admirals Reach offers a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.
