WELCOME TO ALEXANDER CARE HOME

Alexander Care Home is a purpose-built home with 78 beds, offering residential, nursing, and dementia care in a quiet, residential area of Lewisham.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider individual medical, personal, and dietary needs as well as hobbies and preferences to make Alexander Care Home truly feel like home.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. Nutritious and locally sourced meals and snacks ensure residents enjoy a healthy diet based on their individual needs and preferences.
