Residential Care Home

Bexhill-on-Sea's Highest Rated Dementia Home

Understanding Your Needs...  
...Delivering Your Care

# Full Time Residential Care

Choosing the right sort of care home for your loved one is a critically important decision, especially if they have dementia. At Ambleside you'll find a 20 bed home that has a genuine homely feel that is far more suitable for dementia care than large, bland corporate style care homes.

Our staff are trained to exceptionally high levels and are chosen for their natural compassion and understanding. We truly believe you'll find the perfect environment here for your loved one to experience the very best quality of life. But don't take our word for it. Why not come along and see for yourself?

# Respite Care

Need a break from looking after your elderly loved one? Why not treat them to a short stay at Ambleside. They'll have a great time with our many dementia friendly activities. You'll get a much need break and a chance to spend time with the family, go on holiday or just to relax and unwind.

Residential Care Home

**“At Ambleside Residential Care Home you’ll discover outstanding levels of care in the area’s highest rated dementia home.”**

We’d love you to decorate your loved one’s room with their treasured mementoes, special ornaments and favourite pieces of small furniture so that they feel completely at home.

## Lots To See & Do

Keeping active and engaged is vital in enabling your loved one to have the highest possible quality of life. We provide an extensive range of dementia friendly activities whether inside the home or outside in the garden and group based or individual.

They'll have fun interacting with our resident chickens, gardening and enjoying the outdoors in the large secure garden, taking in a movie in the cinema room, and using our iPads and Smart TV with remote activities.

THERE'S NEVER A DULL MOMENT AT AMBLESIDE - CHECK OUT **OUR WEBSITE AND FACEBOOK PAGE** FOR DETAILS.

## What To Do Now

We hope you feel that Ambleside can offer your loved one a warm, relaxed, safe, and secure environment and truly exceptional care. However, the only way to see if Ambleside really is the right care home for your loved one is to come and visit.

We'd love to meet you!
