WELCOME TO APPLETON LODGE

Appleton Lodge is a purpose-built care home on the outskirts of Stockport offering high-quality residential and residential dementia care.

Our garden and patio area offers beautiful views across the valley and surrounding countryside where residents can enjoy spending time with loved ones. Our bright bedrooms and welcoming communal spaces are wheelchair accessible, and our dedicated activities and entertainment room offers further opportunities for socialising and relaxation.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider residents' medical, personal, and dietary needs as well as their likes and dislikes, hobbies, and anything else that their loved ones can suggest to make their stay a happy one.

A HOME TO MAKE YOUR OWN

Our Wellbeing Coordinators plan a varied programme of year-round events, excursions and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things matter most, so whether they like to help the staff with daily tasks or treasure a moment of peace and quiet, our team will help residents create a routine that brings joy.

Residents enjoy a healthy diet based on their individual needs and preferences. With ambient music, and a fully dressed dining room in the evenings, we make the most of every meal.

Appleton Lodge offers a safe, and inclusive home from home for our residents, combining kindness with high quality care.

We look forward to welcoming you
