

Aspen Court Care Home, Taunton

Type of care:

Nursing for people living with dementia.
Long term, short term and respite.

Our modern, spacious home in the peaceful northern outskirts of Taunton is purpose-built for people living with dementia.

You'll experience a warm welcome and a relaxed, peaceful atmosphere in our popular home. Spacious lounges and corridors give the home a light and airy feel, and a conservatory with garden views is a special feature.

Little touches like fresh flowers and smart yet homely interior decorations make this quite simply, a lovely place to live.

Secure landscaped gardens surround the home, providing safe wandering pathways and areas where visitors and guests can sit and enjoy the surroundings. Many residents get involved in gardening, helping us to grow seasonal vegetables in raised beds.

Animals are very special to our residents, so we have a rabbit and two guinea-pigs, as well as an adopted donkey and penguin courtesy of a donkey sanctuary and Bristol Zoo.

“People often focus on the things that people with dementia can’t do. We focus on the things they can do – and given the opportunity, people can surprise themselves. Here, they’re fully involved in decisions about their life – and they’re listened to.”

Aspen Court Manager.

Our homes may well be care homes, but first and foremost they are our residents’ homes.

Each room has been created to be a comfortable place to relax in and enjoy. We also encourage you to bring the little things that make your new surroundings feel like home.

Seeing life through our residents’ eyes

All staff in our dementia homes – from maintenance and catering to care and nursing – receive specialist training in dementia awareness. This helps them to experience life through the eyes of a person living with dementia.

Registered nurses available day and night

At Aspen Court, as in all of our nursing homes, we have Registered Nurses in constant attendance, day and night. Of course, nursing isn’t just about clinical and medical care. Our nurses are good communicators and listeners too, working well as part of a team alongside residents, families, friends and other specialists.

Gold Standards Framework

We’re really proud that we’ve been awarded the prestigious Gold Standards Framework Quality Award. The award recognises the standard that we and the medical practitioners we work with, have reached in caring for people in the last years of their lives.
