

Berkeley House

Your local Bupa care home
in Hull.

A quiet spot in Bilton Grange

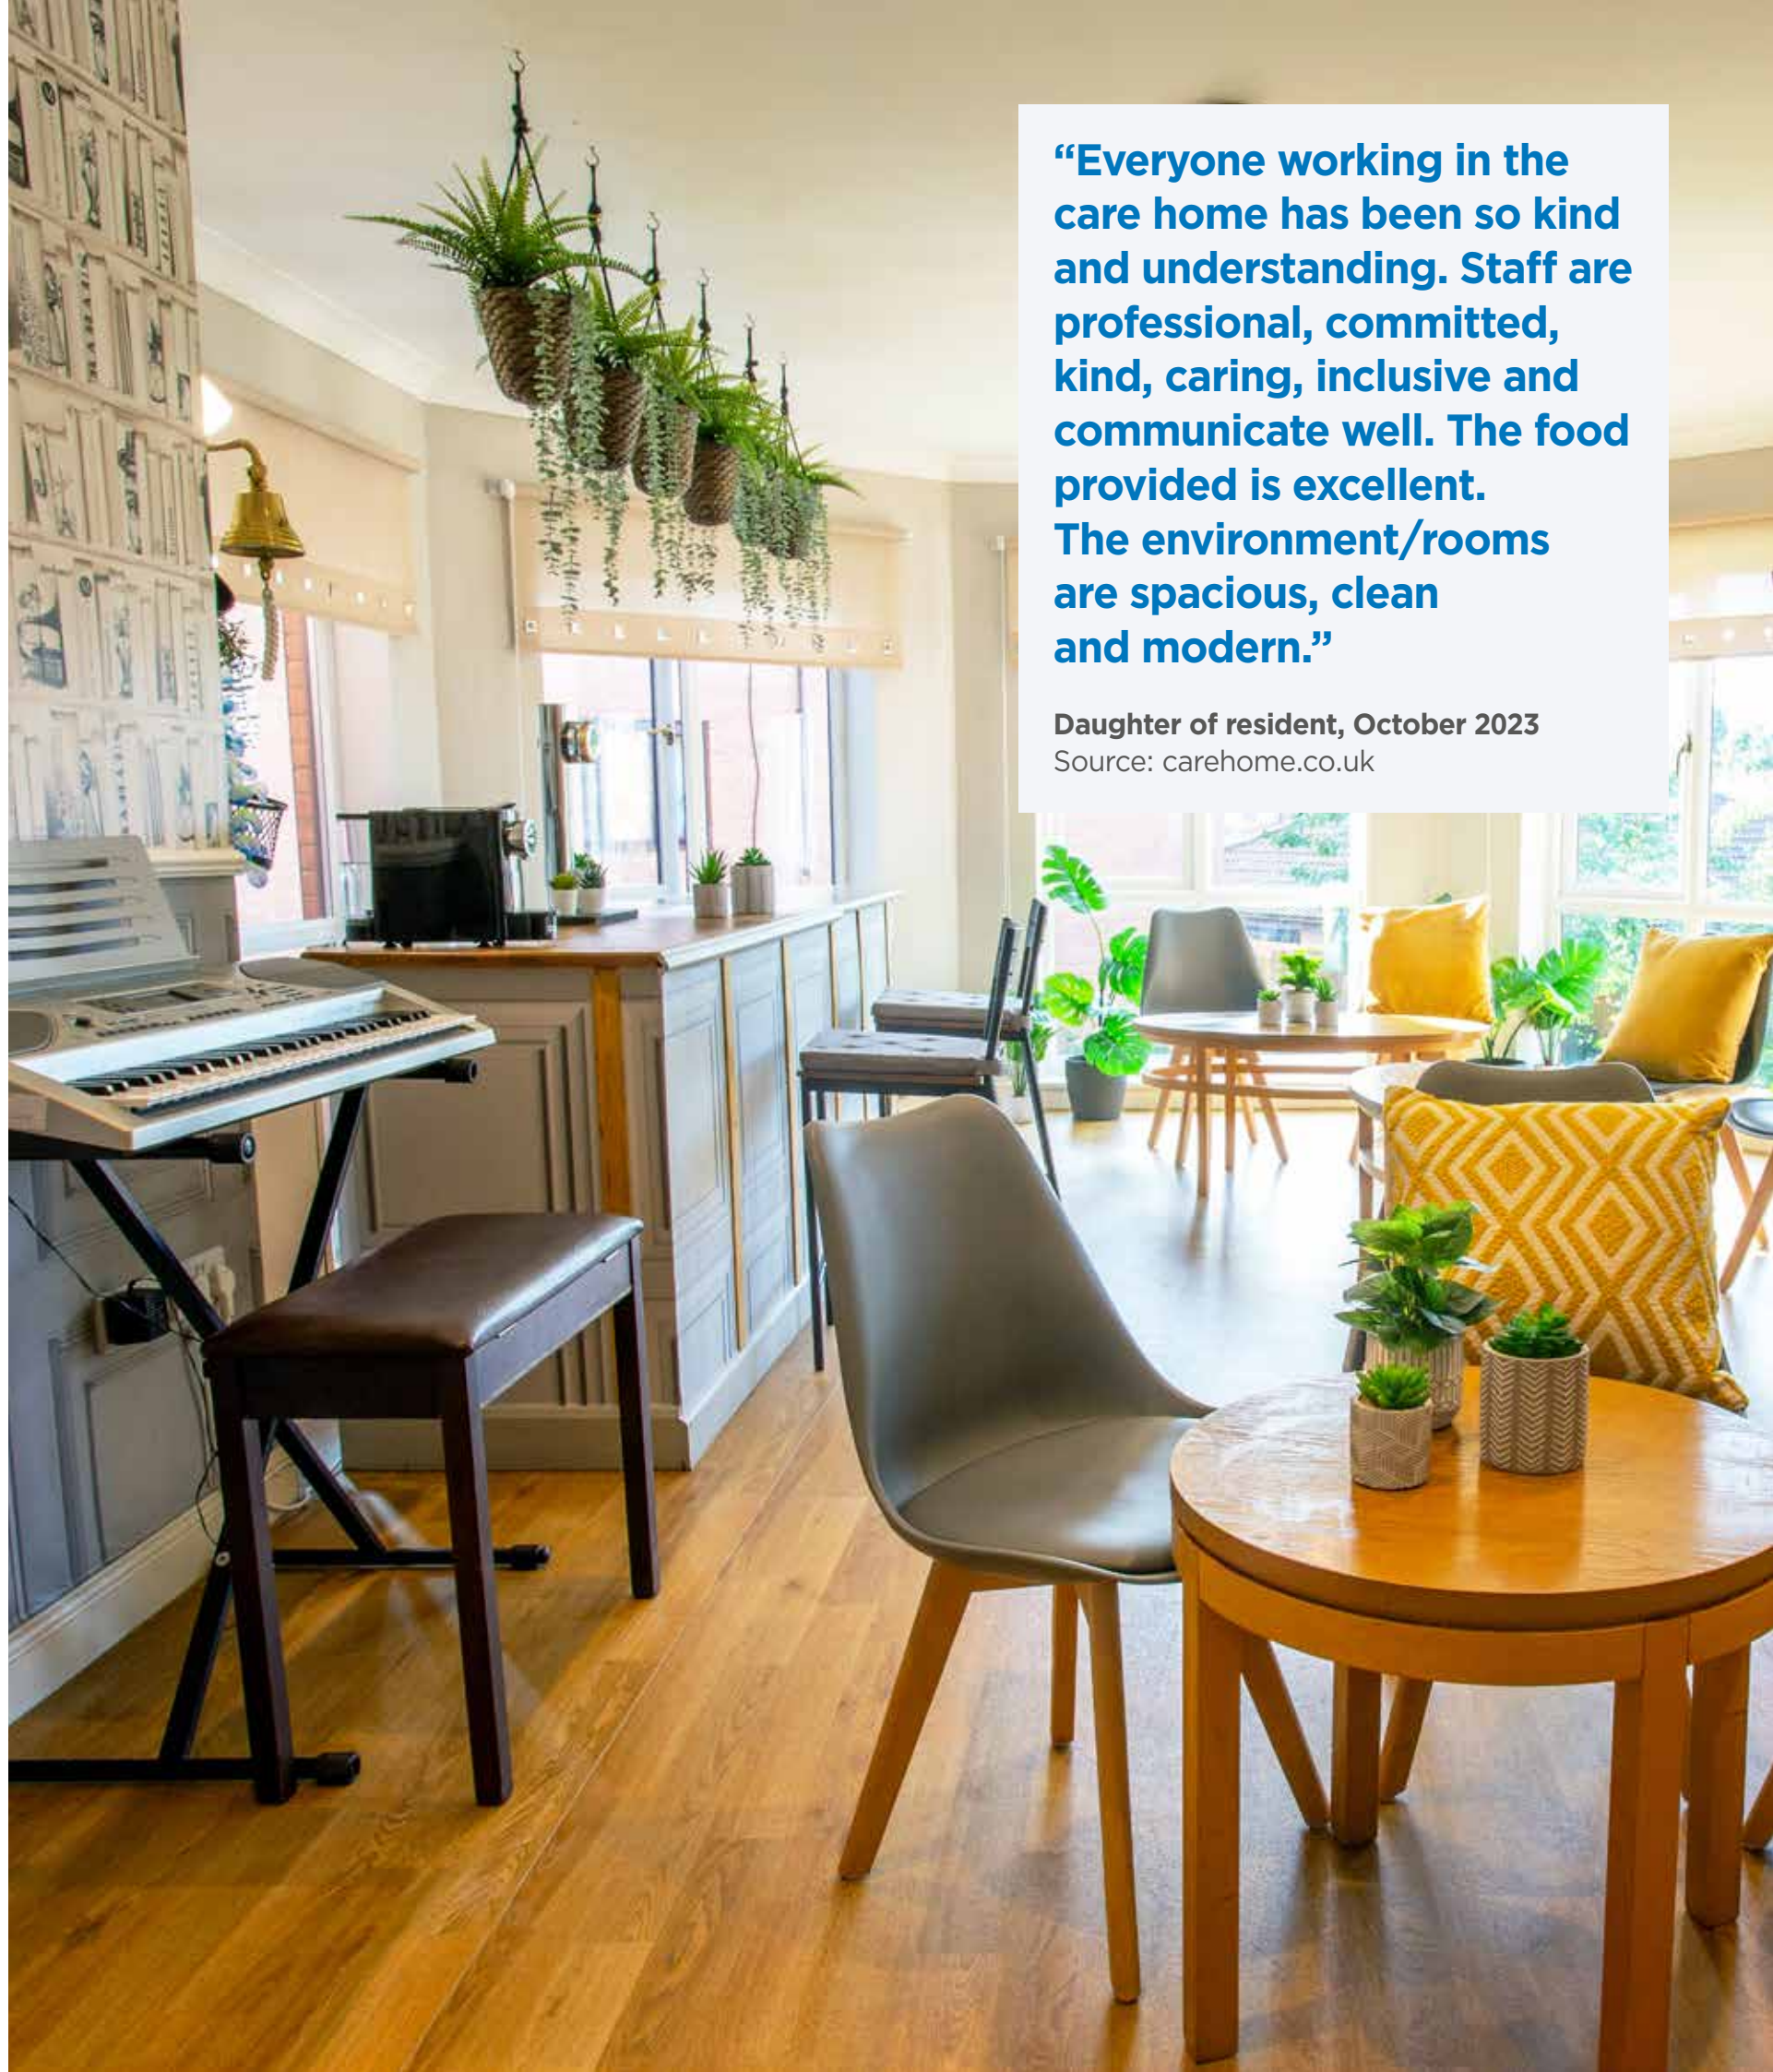

Here at our pleasant and spacious home, we welcome residents in need of residential care, including those living with dementia.

We're on the north-east edge of Hull, close to open countryside. A nearby bus stop offers easy access to the city's many attractions, including Hull Marina and The Deep. East Park and East Hull Community Farm are within easy reach, too.

Our care team

We're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

"Everyone working in the care home has been so kind and understanding. Staff are professional, committed, kind, caring, inclusive and communicate well. The food provided is excellent. The environment/rooms are spacious, clean and modern."

Dementia care

Our specialists can help residents with dementia – who have their own dedicated wing – enjoy a better quality of life. With family support, we'll build a picture of their life story and preferences. Then we can personalise their care, offer stimulating activities, and help them live the way they want.

Variety of comfortable bedrooms

We have 84 rooms at Berkeley House, some of which are larger and come with their own front door and garden. You can expect:

- en suite WC and shower
- a garden view from many rooms.

All residents are welcome to bring personal items from home, such as pictures and knick-knacks.

Services available to all

- GP visits within the home or at the practice
- Visits from district nurses
- Eye care from an optician
- Visits to a dentist
- Pet therapy
- Wifi throughout the home
- Laundry and cleaning

Plus, for an additional cost, residents can benefit from:

- chiropody
- on-site hairdresser.

Shared areas around the home

There are lots of places to socialise or relax, including our hair and nail salon, dedicated activities room and a bright and airy conservatory. We also have inviting lounges on each floor, where residents can cosy up with a good book.

Outside, our enclosed landscaped garden has a choice of seating, where residents can catch up with friends and family during the summer months.

Life at Berkeley House

We want our residents to feel at home. That means a warm welcome, a cosy bedroom, good food, and lots of opportunities to socialise or find some peaceful ‘me’ time. Friends and family have an open invitation to get involved with whatever is going on here, too.

Activities

We have our own team of activity coordinators who chat to residents about what they'd like to do and then plan a range of enjoyable activities. These include:

- weekly lunch at the local pub
- arts and crafts
- quizzes (including reminiscence quizzes)
- bingo and other games
- visits from local school children
- gentle exercise classes
- tea dances
- movie nights.

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Our chefs prepare delicious meals which residents can enjoy in our sociable dining areas or in the comfort of their own room. There's a night-time snack menu for anyone feeling peckish after hours.

We also talk to each resident when they move in about their likes, dislikes and any special dietary needs.

Meal times

Set meal times ensure that our residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

Celebrating special occasions

We have several dining areas where families can host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

Family and friends can pop by at any time. If you'd like to share a meal with a loved one in their room, just give us a quick call and tell us about any dietary needs – we'll cook up something you'll really enjoy.
