

Bayford House

Your local Bupa care home
in Newbury.

Peaceful country living

Set in six acres of beautiful landscaped gardens, our home warmly welcomes those in need of nursing or residential care. We're split into two areas, each dedicated to a different type of care. Bayford House offers nursing care and Newdale Court offers a choice of independent residential living suites.

Our home is based in the village of Stockcross, just four miles from the centre of Newbury. There you'll find an array of independent shops, a racecourse and plenty of wheelchair-friendly pubs.

Our care team

At Bayford House, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

"Staff have been absolutely superb. Everybody is friendly, knowledgeable and goes out of their way to make mum and dad feel welcome!"

Shared areas around the home

You'll find a mixture of both spacious and cosy spaces to relax here. Residents can sit down with a good book in one of our three lounges or have their nails and hair done in our beauty salon.

Outside, our extensive grounds are perfect for a gentle stroll, a bit of light gardening or sitting watching the visiting wildlife. During the summer months, we often serve afternoon tea on the patio.

Life at Bayford House

There's a real friendly, fun feel to our home. We have positive relationships with residents and their loved ones, and always seek their feedback on how we do things here. Everything is tailored to our residents' likes, especially the activities on offer and the food being served.

Activities

Our team of dedicated coordinators plan lots of fun and engaging things to do, including for those who are less mobile. For example:

- crafts, painting and knitting
- gentle exercise classes
- quizzes and board games
- shows performed by visiting entertainers
- farm animal experiences
- sing-a-longs and music sessions
- village events like Stockfest (we enter a scarecrow every year)

Residents can continue to enjoy most of their existing hobbies here. And they can always suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Our chef prepares a range of delicious meals which are served by waitresses in each of our social dining areas. We're happy for residents to eat in the comfort of their room, too. The choice is theirs.

There are plenty of favourites on the menu, but we regularly talk to each resident about their likes, dislikes and any special dietary needs. Then we can get their food just right.

Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

Celebrating special occasions

We're happy for families to host private events like birthday parties in a choice of rooms. We'll just need to know in advance. If you'd like some catering, we usually ask for a small donation.

Visits from family and friends

Loved ones can pop by at any time, whether that's for a quick coffee or to join in with an activity. If you'll be having a meal with us, just give us a quick call and tell us about any dietary requirements.

"Staff really listen to me. Everybody is friendly. I feel warm as if I'm in a real family."

If you've never been here, why not come for a visit?

You can meet the team and get a feel for the atmosphere. As you enter Stockcross, just past Deanwood Park Golf Club, you'll notice white picket fences on either side of the road. Turn right, then follow the road round to the left. We're just 400 yards away.
