OUR HOME IS... *Your home*

Paignton is a seaside town on the coast of Tor Bay in Devon. Together with Torquay and Brixham it forms the borough of Torbay which was created in 1968. The Torbay area is a holiday destination known as the English Riviera. Paignton has origins as a Celtic settlement and was first mentioned in 1086. It grew as a small fishing village and a new harbour was built in 1847. A railway line was opened to passengers in 1859 creating links to Torquay and London.

We are proud that our home really is the perfect place for you to call your home.

“ Our relative moved to Belle Vue Care Home and at the time she was very distressed, having viewed the home we felt it looked like a happy caring place. Fast forward a few months and wow! She is bright and alert, during my visit she was acknowledged by every passing staff member and she waved to them. She was very calm and visibly improved in her health and well being.
