At Bod Hyfryd, every day is about feeling at home as you're surrounded by friendship, laughter, and genuine warmth. Our purpose is simple: We believe in more for our elders. More comfort, more laughter that brightens the day, and more moments shared with people who truly care.

Bod Hyfryd is more than a home, it's part of the heartbeat of Flint. We're a welcoming community filled with kindness and joy, and where our compassionate team cherishes every resident as an individual.

Part of a Top 20 Care Home Group in the UK, rated by carehome.co.uk through resident and family feedback, Bod Hyfryd is proud to offer professional excellence with a homely heart. We hear time and again that families of our residents feel reassured knowing their loved one is truly part of our Bod family, where everyone belongs and thrives.
