# HTR Homecare Services

## Who we are:

Regulated by CQC in 2023, our Home Care / Domiciliary Care Services have been introduced as an additional service on to our already established recruitment business.

Over the years we have been supplying temporary staff to Residential Care Homes & Nursing Homes within The London Boroughs and Home Counties. This has enabled us to create a pool of well trained, experienced, reliable and versatile staff all available at short notice in a variety of locations.

Our processes and procedures are well established, effective and efficient ensuring all our clients receive person centered care

in a respectful and dignified manner. Our staff come from a variety of backgrounds, with various skill sets, all fully trained, vetted and fully compliant.

Our Registered Manager has over 30 years of experience, is a qualified Registered Mental Health Nurse & Registered Nurse for Learning Difficulty. He is fully involved in the training and development of our staff teams along with carrying out internal audits & inspections.

Our Director has worked in the Social & Healthcare Sector for over 15 years, in a variety of specialisms including Home Care

We are confident that we will have someone that will fulfil your requirements and expectations.
