Brinnington Hall's varied menus of healthy meals all have a choice of options at breakfast, lunch and dinner. All food in the home is created using the best locally sourced ingredients and is prepared freshly on-site, and can be enjoyed wherever you prefer - perhaps in the well-appointed dining rooms or café with your fellow residents or more private dining, in the comfort of your room whilst catching up with the soaps.

Tuck into a hearty steak pie.

Our Chef makes sure that all dietary needs are met and our meals are nutritious – not to mention, very tasty! Chef also gains feedback from residents to ensure there are plenty of options which meet the preferences of the people who live with us.

“

I would just like to congratulate you on one of the very best care homes I have ever had the pleasure to visit. This place is like a top class hotel, if possible 8 star, not 5!

The daily menu is made available around the home and residents can choose to eat together in the wellappointed dining areas or request for meals to be served in your room should you prefer. Even if you're not tempted by anything on the menu, Chef will always try to rustle up something that does meet your fancy.

You'll find snacks readily available throughout the home and we are partial to some tea and cakes in the afternoon. You and your guests are welcome to help yourself to hot drinks and our staff are always happy to make a brew.

There is always time for a cuppa and some cake – the only question is what type of cake!
