in Alderley Edge.

# Set in a very popular village

We're in a great location close to the village high street, with strong links to the community. Nearby National Trust attractions include Nether Alderley Mill and Hare Hill, and Tatton Park is in easy reach. Alderley Edge Golf Club is around the corner, where you can pay and play.

## Our care team

At Brookview, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

**"I cannot speak highly enough about Brookview. I'm so happy my mum is here. She is receiving the most wonderful first-class care ever - she's been here for almost 3 years and there has always been 100% dedication, not only that but the support they give me is also extremely comforting."**

# What we offer

There are lots of places to relax inside our home. These include our own hair salon, several lounges where residents can find company or a bit of quiet time, and a bistro and activity room.

Outside are lovely gardens with mature trees, backing onto open fields. We have a sensory garden at the back, and the secure front garden has a patio area.

# Life at Brookview

**Everything here is planned around residents' individual needs and interests. And they can get involved as much or as little as they'd like. There's good company to be had, tasty food to enjoy and plenty to do.**

## Activities

Our coordinators plan enjoyable activities for everyone, according to their care needs and mobility. These might include:

- outings such as boat trips, picnics, concerts and plays
- arts and crafts, baking and gardening
- gentle exercise classes
- musical events including visiting entertainers
- garden parties
- curry and quiz nights
- visits from local school children

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or in their room.

## Food at our home

Good food is an important part of life. Our delicious meals and snacks can be enjoyed in our social dining area or in the comfort of the resident's own room.

There are plenty of favourites on the menu, but we also talk to each resident when they move in about their likes and dislikes, and any special dietary needs.

## Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

## Celebrating special occasions

We have several dining areas where families can host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

## Visits from family and friends

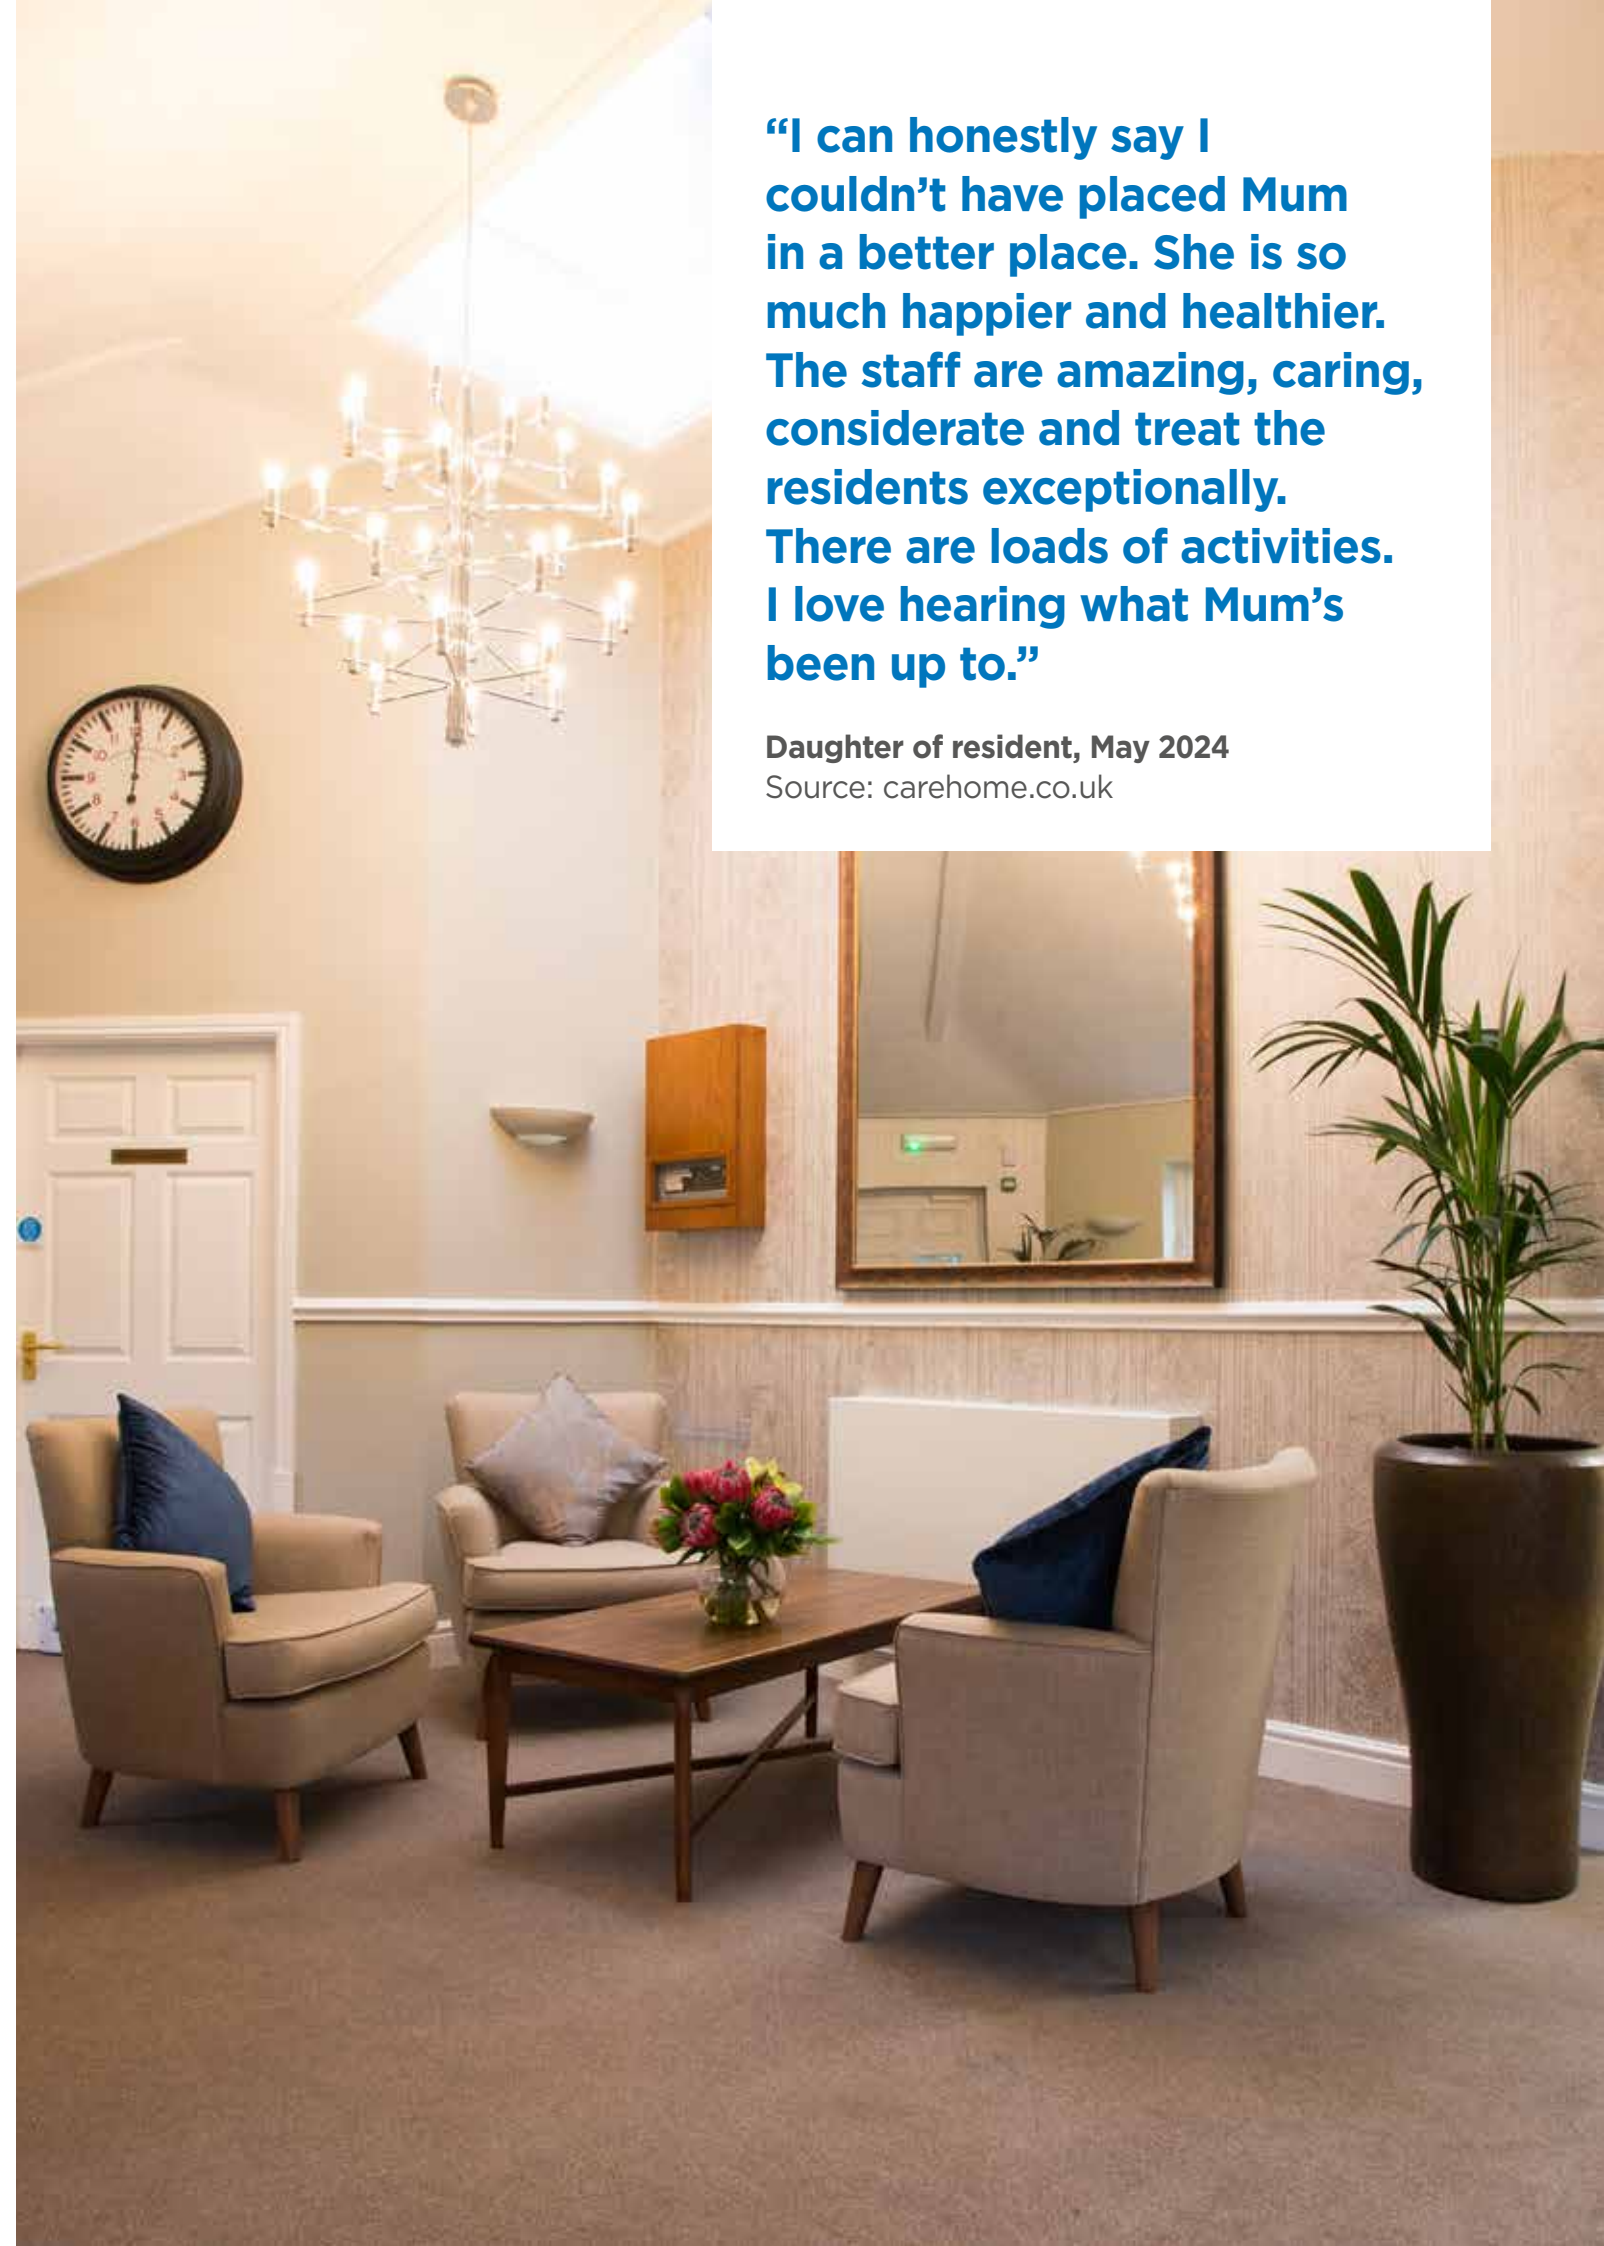

Loved ones can pop by at any time for a coffee or to join in with an activity. If you'll be having a meal with us, just give us a quick call and also tell us about any dietary requirements.

**"I can honestly say I couldn't have placed Mum in a better place. She is so much happier and healthier. The staff are amazing, caring, considerate and treat the residents exceptionally. There are loads of activities. I love hearing what Mum's been up to."**
