

# WHO WE ARE

## About Us

We are a friendly & accessible CQC Registered Home Care Provider.

We offer affordable care packages for Private & Local Authority-funded adults who due to illness, age-related issues, social circumstances may need support or assistance to carry out everyday tasks in their own homes. Our managers visit each client before a Care Package starts to ensure that we understand your circumstances & plan the best package to meet your needs

## Our Aims

- To provide the best safe care in your home environment that supports your independence, your choices & wishes & reduce your chances of hospitalisation
- Help clients maintain a good quality of life
- Help maintain clients' health & wellbeing within their own homes & community
- Help clients maintain independence so that they can remain in their homes & community
