

Cleveland House

**Your local Bupa care home
in Huddersfield.**

Set in a Victorian villa

We warmly welcome those in need of residential and nursing care.

Our elegant home is in the leafy residential area of Edgerton, just a couple miles from Huddersfield town centre. Greenhead Park is nearby, with its adventure playground, ornamental lake and miniature railway. And we're just seven miles from the edge of the Peak District National Park.

Our care team

At Cleveland House, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

“Dad had only stayed at Cleveland House for a couple of days respite, and he asked if he could stay there full-time. The difference in him is outstanding. He is happier in himself, and his social interaction is as near as I have seen it in a long time. He’s eating well, which is another improvement.”

Life inside our home

Our home is a friendly, inviting community – not only for our residents but for their friends and family, too. Good food, plenty to do and lots of opportunities to socialise make this a very special place to be.

Activities

Our activity coordinator plans a range of enjoyable things to do, including for those who are less mobile. For example:

- crafts, bingo and games
- simple exercises to music
- gentle gardening
- active Mind sessions including sensory, art and reminiscence
- movie afternoons and singing
- baking sessions with our chef
- outings to the garden centre, pub lunches or boat trips
- visits from local nursery children.

Residents can still do most of their existing hobbies here. And they always suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

We prepare delicious meals which residents can enjoy in our social dining area or in the comfort of their own room.

There are plenty of favourites on our menu, but we also talk to each resident when they arrive about their likes and dislikes and any special dietary needs.

Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

Celebrating special occasions

Outside of mealtimes, families are welcome to use our dining room to host private events such as birthday parties. We'll just need to know in advance. If you'll need catering, we can arrange this for an additional fee.

Visits from family and friends

Family and friends can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and tell us about any dietary requirements.

"I always find the staff smiling, friendly and helpful. My father was comfortable from day one and continues to be so. He continually praises the staff and is always happy with the catering!"
