

# Crossley House

Your local Bupa care home  
in Bradford.

# Spacious and beautifully appointed

**Our friendly home warmly welcomes anyone in need of residential care, including those living with dementia, Huntington's or Parkinson's.**

Bradford's many attractions, such as the National Science and Media Museum, are just 10 minutes away and there's a bus stop right outside. Lister Park and water gardens are close by, and Salts Mill and Oakwell Hall (a museum furnished as a 1960s home, which is great for reminiscence) are both in easy reach.

## Our care team

At Crossley House, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

**"The care and love Mum received was wonderful. The staff were so friendly and caring and did everything they could to make her happy. There's so much going on every day and food was lovely. Staff were all stars and we can't thank them enough."**

# What we offer

Our purpose-built home is attractively furnished and decorated, with plenty of shared spaces and a real domestic feel. Themed areas make it easier for residents to find their way around, too. Outdoors we have lovely wrap-around gardens where residents can go to get some fresh air.

## Types of care

- Residential
- Dementia residential
- Short stay

We have 58 tastefully decorated rooms, two of which can accommodate a couple. Our premium rooms are larger, and some have their own front door. You can also expect:

- en suite WC

- garden view from some rooms

Residents are welcome to bring personal items from home, such as pictures and knick-knacks.

## Services available to all

- Advice from a nutritionist

## Shared areas around the home

Our spacious home has lots of places where residents can relax or seek out company. We have five lounges plus a quiet snug, and residents can enjoy a bit of pampering in our own hair and beauty salon.

Our landscaped gardens, surrounded by mature trees, are ideal for taking a gentle stroll.

# Life at Crossley House

We want residents to settle in quickly and be happy here, so we focus on good food, lots to do, and plenty of opportunities to socialise. Add in comfortable, pleasant surroundings and this is a very special place to be – a place where family and friends are always welcome.

## Activities

Our own coordinators plan a range of enjoyable activities for our residents to do. These include:

- weekly visits from musicians who play piano and ukulele
- arts and crafts, baking and knitting
- gentle armchair exercise
- quizzes and bingo
- reminiscence activities
- visits from local school children

Residents can still do most of their existing hobbies here.

They can also suggest something they'd like to try, as a group or in their room.

## Fresh, healthy food

Our chef prepares delicious meals and snacks for residents to enjoy in one of our social dining rooms or in the quiet comfort of their own bedroom. Every month, there are themed meals for a bit of extra fun.

We plan plenty of favourites into our menus, but we also talk to each resident when they move in about their likes and dislikes, and any special dietary needs.

## Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

## Celebrating special occasions

We're happy to provide space where families can host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for up to 10 people for an additional fee.

Issued July 2024

## Visits from family and friends

Family and friends can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and also tell us about any dietary requirements. Then we can cook up something you'll really enjoy.

**"I instantly felt the staff were very professional, caring and expressed love to residents. The atmosphere is calm, loving, relaxed and happy. I have nothing but good things to say. Thank you to all the staff – first class."**
