WELCOME TO CHASEVIEW

A purpose-built care home providing nursing and residential dementia care for up to 60 residents, Chaseview Care Home is situated just west of Lichfield.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans, consider medical, personal, and dietary needs as well as preferences and hobbies, to ensure each resident's stay with us is a happy one.

In addition to comfortable bedrooms and cosy living spaces, our nail bar and hairdressing salon is a much-loved spot for some pampering, while residents enjoy sharing their favourite films in our cinema room. Our pretty landscaped garden is attended to by our green-fingered residents and is a great place to enjoy some sun.

LIFE AT CHASEVIEW

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our own minibus, and daily and weekly activities to keep residents active and engaged.

With three nutritious meals each day, as well as a café and tearoom to enjoy at their pleasure, our residents enjoy a healthy diet based on their individual needs and preferences.

While we enjoy celebrating special occasions together, we know the little things often matter most, which is why our team help residents to create a routine that brings them joy.

Chaseview offers a safe and inclusive home from home for our residents, combining kindness and quality care.
