WHERE CARE MEETS COMFORT

THE CHECK HOUSE CARE HOME OFFERS EXCELLENCE IN RESIDENTIAL, NURSING, RESPITE AND SPECIALIST DEMENTIA CARE FOR UP TO 58 RESIDENTS.

A Grade II listed building, The Check House combines historic character with modern care provision. Its feature terrace and extensive, accessible garden boast spectacular views of the coastline. Each of the home's 58, individually styled, bedrooms are en-suite with 24-hour call systems. Many also enjoy outstanding sea views.

A homely, welcoming ambience awaits at The Check House, offering many different communal areas for relaxation and socialising with friends and family.

Our comfortable choice of lounges and dining rooms promote community living and our stimulating décor and much loved features of the Hair Salon, General Store and The Snug Inn provide ample opportunity for reminiscence and reflection.

LIFE AT THE CHECK HOUSE

Our holistic approach to care ensures that our experienced, compassionate team provide care tailored to the needs and wishes of each resident, with their wellbeing at the heart of all that we do.

Living at The Check House offers plenty of variety and choice and residents are supported by our teams with housekeeping, laundry and dining services provided. Our team of chefs pride themselves on the familiarity and exceptional quality of food at every meal with all dietary and preferences catered for.

Our vibrant entertainment and activities offering ensure that every day is different, and full of enriching experiences for all tastes. Our own minibus and wheelchair accessible car provide outings further afield on a regular basis.

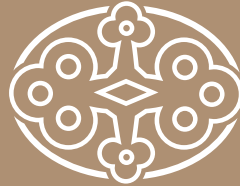

The benefits of group living, with the comfort of having care and support on hand, mean that every day can be enjoyed to the full at The Check House.

We look forward to welcoming you.
