# OUR HOME IS... *Your home*

***We are proud that our home really is the perfect place for you to call your home.***

## *About*

Our ever-popular spacious and modern Chestnut Lodge Care Home is able to care for 80 residents, including those who require round the clock general nursing care and those who feel the impact of dementia on their daily lives, requiring specialist care.

Chestnut Lodge Care Home is located in Barkerend, a captivating neighborhood with a rich history and a strong sense of community. The area's historical significance is reflected in its architectural landscape, where remnants of old mills and factories stand as silent witnesses to Bradford's industrial past. A leisurely stroll through Barkerend offers residents a unique opportunity to connect with the city's heritage, and local museums provide deeper insights into the area's evolution over the years.

## *The team*

Our dedicated team is experienced and compassionate, they see each resident as a unique individual, reflecting this throughout their person-centred care. The care team have access to the latest care plan technology and will take time to get to know you, your family and all of your favourite things.

*I am a nurse by profession, having qualified as a nurse and midwife over 30 years ago. I have a lot of experience working with the elderly in care homes as a nurse, Home Manager and in the Regional team and care is my passion.*

# SIMPLY GOOD CARE

**Resident care plans reflect all that an individual would want and need for their care to be delivered in the way they choose, with independence and dignity as prime considerations. We also have team of expert Champions who lead on specific areas such as infection control, safeguarding and dignity.**

## CARE THAT WE OFFER:

### *Nursing Care*

Like all our team members, our skilled and fully qualified nurses are committed to providing an excellent standard of care for those people who require a qualified nurse available to them 24hrs a day. Our nurses are experienced in providing nursing care for a broad spectrum of nursing requirements, as are our experienced management teams who lead the nursing team within the home.

### *Dementia Care*

Our priority for our residents living with dementia is that they should always feel safe and comfortable. Each resident is given the unique care and support that they require through our person centred care planning. These individually tailored care plans are essential for excellent care and are delivered by our appropriately trained care teams.

“*The staff are kind, caring and compassionate. The nursing home offers around the clock care, ensuring the medical and personal needs of the residents are met promptly and professionally. This offers peace of mind to me and other family members and I know his is in safe hands.*”

# LIFESTYLE AT CHESTNUT LODGE CARE HOME

***Our activities not only encourage our residents to continue with lifelong hobbies but to also try new ones. Our aim is to promote stimulation for the mind and body, as well as general wellbeing.***

It is important that our residents still feel part of the wider community and our teams ensure this is a priority by organising trips out to local groups, clubs, sights or just going down to the local pub for a pint. We also invite local groups, schools and places of worship and entertainers into our homes.

At Chestnut Lodge Care Home, our Lifestyle team members work hard to ensure our residents individual needs are met. Uncovering and capturing individual resident hobbies and interests, as well as resident life histories, is an essential element of success in providing personalised daily activities which residents will
