

Chiswick House Care Home

Outstanding care in Norwich

Chiswick House care home on Christchurch Road in Norwich provides high-quality, short-term, respite care and longer-term support to older people.

The home is set back from the leafy road in the Golden Triangle area of Norwich set in its own private, well-maintained gardens and has many original features and a modern extension. The bedrooms are all decorated individually and most have ensuite facilities. Within the care home there are communal areas for the residents to relax in and enjoy each other's company, smaller private areas for families to spend with their loved one, a large conservatory and a bright, pretty dining room overlooking the garden.

Our chefs create wonderful, freshly cooked meals and we always celebrate birthdays and special occasions with afternoon tea and a special birthday cake, personalised to the resident's interests. Menus are very diverse, and all tastes and dietary requirements are catered for.

Outside there is a secluded and beautiful garden, with shaded areas, flowering shrubs and a pretty water feature. We often use the garden in the summer for entertainment and barbecues.

There is an extensive programme of activities with our residents enjoying regular visits from entertainers, excursions, exercise

classes and crafts sessions as well as one to one interaction with staff.

There are lots of places to visit nearby. Our dedicated staff enjoy taking our residents out into their local community to visit the shops and local cafes. The highly qualified staff are well-trained, supportive and caring with many of the team having over 20 years' experience in the care sector.

We're proud to share that the home has been rated as outstanding with the Care Quality Commission, the first home in Norwich to have been awarded this recognition.
