WELCOME TO COOPERS CROFT

Offering residential and residential dementia care in Stoke-on-Trent, Coopers Croft combines comfort and care to create the perfect home for up to 66 residents.

Personalised care plans allow us to deliver person-centred care that protects each resident's dignity and independence. By prioritising an active lifestyle, our attentive and extensively trained team provide round-the-clock care while truly getting to know each resident, ensuring it is adapted to the unique preferences and requirements of each individual.

We look forward to welcoming you

FACILITIES AND LIFESTYLE

Our stylish ensuite rooms come equipped with fitted furniture, flat screen smart TV, mini fridge, Wi-Fi access and telephone points so that residents can enjoy privacy and keep in touch with loved ones as they wish. For socialising within the home, there are a variety of beautiful spaces available including quiet rooms, library and tearoom. Our well-appointed garden rooms truly bring the outside in.

We provide a full programme of activities that cater for every interest and ability, as well as excursions in our specially adapted minibus. We even have our very own cinema where residents can share their favourite films together, and our skilled chefs provide nutritious and delicious meals to ensure that mealtimes are always something to look forward to.

At Coopers Croft, care means listening to our residents with kindness and curiosity, providing care centred to their needs to create a true home from home.
