WELCOME TO COPPICE COURT

Sitting just outside the popular seaside town of Eastbourne, Coppice Court offers nursing and nursing dementia care for up to 52 residents.

Our communal spaces are thoughtfully designed to promote wellbeing. With sitting rooms, hobby spaces, a stylish dining room, and even a hair salon, Coppice Court offers a variety of places where residents can relax, socialise, and express their creativity. Well-appointed ensuite bedrooms can be personalised to make the space truly each resident's own. Our bedrooms and all living areas are fully wheelchair accessible.

Outside, our pretty landscaped garden and patio is a perfect spot for catching up with loved ones.

LIFE AT COPPICE COURT

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things often matter most, and our team will help residents create a routine that brings them joy.

With nutritious and locally sourced meals, our residents enjoy a healthy diet based on their individual needs and preferences.

Coppice Court offers a fun, safe, and inclusive home from home for our residents, combining kindness with quality care.
