"I was made to feel very welcome, it's been a good experience. Much needed after the stay in hospital. The lovely food has slowly rejuvenated my appetite. My thanks to all the people at Druid Stoke."

Life at Druid Stoke

Our small, friendly community makes our home a warm and inviting place to be. There are lots of opportunities to socialise with other residents and visiting loved ones, including a range of fun and engaging activities and enjoyable meal times.

Activities

We have a large team of activity coordinators for the size of our home. They arrange enjoyable things to do for everyone, including the less mobile. For example:

- visiting entertainers such as musicians and magicians
- quizzes and board games
- painting workshops run by local artists
- outings to places like the boating lake
- gardening club
- reminiscence sessions
- children who come in from local schools and pre-schools

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Residents can enjoy delicious meals and snacks in our social dining area or in the quiet comfort of their own room.

While there are always plenty of favourites on our menu, we talk to each resident when they move in about their likes, dislikes and any special dietary needs.

Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, please talk to us.

Celebrating special occasions

We have a dining area where families can host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.
