WELCOME TO DAISY NOOK HOUSE

Located in a peaceful part of Ashton-under-Lyne, conveniently close to local shops and amenities, Daisy Nook House offers residential care, specialised dementia care, and dedicated residential dementia support for up to 40 residents.

With ensuite bedrooms, several sitting rooms and dining areas to enjoy, and our very own nail bar and hair salon, there are plenty of fully wheelchair accessible spaces for residents to relax and socialise. Residents also enjoy taking in the fresh air or catching up with loved ones in our pretty garden and patio area.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment.

LIFE AT DAISY NOOK HOUSE

Our Wellbeing Coordinators plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to ensure everyone is active and engaged. While we enjoy celebrating special occasions together, we know the little things matter most, which is why our team work with residents to create a routine that brings them joy.

With three nutritious and locally sourced meals a day as well as a mid-morning snack and afternoon tea, our residents enjoy a healthy diet based on their individual needs and preferences.

Daisy Nook House offers a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.
