WELCOME TO DALE PARK

Dale Park is a purpose-built, newly-refurbished care home offering dementia care in Southport, Merseyside, for up to 45 residents.

With sitting rooms, hobby spaces, a stylish dining room, a Tea Room, and even a Hair Salon, Dale Park offers a variety of places where residents can relax, socialise, and express their creativity. Outside, our pretty landscaped garden, patio, and summer house provide perfect spots for catching up with loved ones or enjoying our BBQs and summer fayres.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider medical, personal, and dietary needs as well as preferences and hobbies, and are unique to everyone.

LIFE AT DALE PARK

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibuss, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things can often matter most, and our team help residents create a routine that brings them joy every day.

With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and preferences.

Dale Park offers a fun, safe, and inclusive home from home for our residents, combining quality care with kindness.
