Dell Field Court **Activity Schedule**

Your activities team continues to develop your monthly program based on the things you like doing. This schedule is for you to plan what you want to take part in and where your relations and friends can come in and help you get the most out of the activities. If there are activities that you feel are missing that you would like to take part in, then please talk to the team or any member of staff to let us know. We want to make your stay here at **Dell Field Court** as pleasant as we can make it. In the meantime, have a look at this month's activities and highlight the things you would like to do.

Please note, we will try and stick to the schedule, but sometimes due to circumstances or residents not attending, or staff ratio we might change activities around to suit everyone's needs.
