LIFE AT DOVEDALE COURT

Located just outside the market town of Wednesbury in the West Midlands, Dovedale Court offers nursing and residential dementia care for up to 76 residents.

Boasting lovely views, our charming home offers a warm, family feel. Each of our comfortable ensuite bedrooms can be personalised to truly feel like home, while we have a variety of communal areas for residents to relax, dine and socialise. Our landscaped garden and conservatory offers an ideal spot to enjoy fresh air with loved ones, while for a spot of pampering, we have an on-site salon for regular hairdressing and chiropody appointments.

With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and preferences.

A HOME TO MAKE YOUR OWN

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things often matter most, which is why we are proud to help residents create a routine that brings joy every day.

Our highly trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider medical, personal, and dietary needs as well as preferences and hobbies to make every stay with us a happy one, and ensure Dovedale Court feels truly like home.

Dovedale Court offers a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.
