

Edmund House

Your local Bupa care home
in Scunthorpe.

Lovely surroundings in a quiet spot

Our modern home warmly welcomes people in need of residential care, including those living with dementia, Huntington's or Parkinson's.

Ashby High Street, at the end of the road, has local shops, cafés and a library. There are fountain gardens at Central Park. Plus, Scunthorpe's attractions, including Messingham Zoo and the 20-21 Visual Arts Centre in Scunthorpe, are not too far away.

Our care team

At Edmund House, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

"Mum was treated with dignity, compassion and loving care. We were impressed with the high standards set by the home. It is spotlessly clean and the decor is fresh and modern. Staff couldn't do enough to accommodate Mum's dietary needs. We will not forget the kindness and compassion of all the staff - Mum was comfortable throughout and we were looked after wonderfully too."

- flat-screen TV.

Residents are welcome to bring personal items from home, such as pictures and knick-knacks.

- Visits from a district nurse
- Advice from a nutritionist

Shared areas around the home

There are lots of places to relax here. Residents can choose to have a little pampering in our hair and beauty salon, read quietly in one of our lounges, or invite guests over to enjoy a slice of cake in our dining area.

Outside, there's a pleasant front garden with a seating area where residents can make the most of the fresh air and sunshine.

Life at Edmund House

We're a warm community with a very happy and enthusiastic staff team. We like to involve residents and families in deciding things like menus and activities, and loved ones are always welcome to join in with whatever we plan.

Activities

Our coordinators plan enjoyable things to do for all of our residents, such as:

- visiting entertainers such as pianists and singers
- taster sessions of food from around the world
- quizzes
- regular coffee mornings
- chair yoga
- reminiscence sessions
- arts and crafts
- movie afternoons.

Ed joined the Edmund House family in January 2021 as a kitten. You will find him wondering around our home, keeping our residents company. He loves Fish Friday and joining in with the 11am activity!

Fresh, healthy food

Our chef prepares delicious meals and snacks for our residents to enjoy in our social dining area or in the comfort of their own room.

We're very happy to make residents their favourite meals, or to cater for their culture. We also talk to each one when they move in about their preferences and any special dietary needs.

Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

Celebrating special occasions

Families are welcome to host private events such as birthday parties at our home. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

Visits from family and friends

Loved ones can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and tell us about any dietary requirements. Then we can cook up something you'll really enjoy.
