WELCOME TO FIR TREES

Found on the edge of the Chesire Plain in Dunkinfield, Fir Trees Nursing Home offers residential and residential dementia care in a warm and welcoming environment.

Fir Trees provides a variety of communal areas for residents to relax, dine, and socialise including our ambient dining areas and social lounges. We also have a landscaped garden and patio where residents can enjoy some fresh air or soak in the sun with loved ones. For a spot of pampering, we have an on-site hair salon. Mealtimes are always a highlight with our locally sourced and nutritious meals and snacks.

A HOME TO MAKE YOUR OWN

Personal care plans, created in collaboration with loved ones, consider residents' medical, personal, and dietary needs as well as their preferences, hobbies, and anything else that can make Fir Trees feel like home.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events and excursions plus daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things often matter most, so our team will help residents create a routine that brings them joy.

Fir Trees offers a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.

We look forward to welcoming you
