A beautiful, spacious home laid over four floors, Fleming Court offers Residents a choice of relaxing lounges and dining areas. The restaurant, which also offers afternoon teas, Sunday lunch and hosts themed evenings is the ideal place to catch up with friends and family. There is also plenty of outdoor spaces to enjoy including a landscaped garden, bowling green, balconies and terraces.

All our bright and comfortable bedrooms and living areas are easily accessible by wheelchair, and some rooms on the ground floor have direct garden access. On the fourth floor, a number of luxurious bedrooms and suites offer views across Jesmond and Newcastle. Fleming Court is conveniently located close to the shops and services of Clayton Road.

## Personalised Care and Support

We have a kind, caring and highly trained team on hand to provide the kindest possible care and support to your loved one.

Fleming Court's Home Manager will make sure that every single Resident receives the kindest possible care. Our extensively trained team deliver all the specialist care and support services that your loved one could possibly require. Personalised care plans consider not only medical, personal care and dietary needs, but also the individual's likes and dislikes, religious preferences and suggestions from family members that might make their stay with us that little bit more enjoyable.

## Lifestyle and Community

We have a dedicated Wellbeing team that works closely with Residents to organise a varied year-round programme of social events and activities. Some of the most popular pastimes include baking, piano playing, gardening, dancing, birds of prey visits and local trips aboard our minibus.

We encourage Residents to continue their everyday routine at Fleming Court, whether it be a morning walk, feeding the birds or arranging flowers in one of our many communal areas.

Whatever is going on in the home, community plays a big part in daily life and many of the social occasions are hosted in our attractive landscaped gardens, which are easily accessible from a number of our ground floor bedrooms.

## A Delicious Dining Experience

Mealtimes play a big part in life at Fleming Court and our catering team works hard to create a wide range of freshly prepared seasonal meals, using carefully sourced ingredients.

We involve Residents in tasting and testing meals and menus and invite them to share their preferences, ensuring that there are a variety of cuisines to suit all tastes. We understand the vital role that food and nutrition plays in the care we provide and as such, we take care and attention to ensure that meals look appetising and taste delicious.

We make a point of celebrating birthdays and special occasions – from Valentine's Day to Mother's Day, as well as world festivals. We have built-in music systems to provide ambience and we dress our dining rooms for meal times.
