

Green Gates

Your local Bupa care home
in Oxford.

A beautiful Edwardian residence

Here in the charming city of Oxford, we offer a warm welcome to those in need of nursing and residential care. Set in a former private house, Green Gates has a very comfortable, homely feel.

We're just a couple of miles from the world-famous Ashmolean Museum and Bodleian Library. We're even closer to Cutteslowe Park, with its playground, miniature railway and splash park.

Our care team

At Green Gates, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

"The family's experience of the care home has been generally very good. The staff are friendly and caring and any requests are dealt with efficiently. My mother is always happy in herself and that is very reassuring to the family."

Life at Green Gates

We're a small community with a big focus on involving everyone in what we do. Residents can handpick activities, select their favourite dishes from our carefully crafted menu, and so much more.

Activities

Our activity coordinator plans a programme with something for everyone, including those who are less mobile. Our activities include:

- arts and crafts, flower-arranging and gardening
- pamper sessions
- baking club
- visiting entertainers including a dance company
- themed days
- dominoes and Rummikub tournaments
- everyday tasks like setting tables for those who like more independence

Residents can continue to enjoy most of their existing hobbies here. And they can always suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Our in-house chef prepares wholesome meals for residents, which includes a mix of both hot and cold dishes. These can be enjoyed in our social dining room or in the comfort of their own room. When the weather's good, we might even dine al fresco.

When they move in, we talk to each resident about their likes, dislikes and any special dietary needs.

Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay too.

Celebrating special occasions

Several areas are available to families for private events such as birthday parties. We'll just need to know in advance. Plus, if you need catering we can arrange this for an additional fee.
