WELCOME TO GITTISHAM HILL HOUSE

Gittisham Hill House is located in an area of outstanding beauty in Honiton offering residential, nursing and dementia care for up to 38 residents.

Gittisham Hill House provides a variety of communal areas for residents to relax, dine, and explore their hobbies. We also have a landscaped garden and patio where residents can enjoy some fresh air or help tend to the plants. For a spot of pampering, we have an on-site hair salon, and a reading room to settle in with a good book.

Personal care plans, created in collaboration loved ones, consider residents' medical, personal, and dietary needs as well as their preferences, hobbies, and anything else that can make Gittisham Hill House feel like home.

FACILITIES AND LIFESTYLE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things matter most so our team will help your loved ones create a routine that brings them joy.

Gittisham Hill House offers a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.

We look forward to welcoming you
