# OUR HOME IS... *Your home*

Gotton Manor Care Home was once a magnificent manor house. In recent years, it has been refurbished with tasteful, modern decoration, but is still surrounded by the same glorious acres of countryside. It is just a 10-minute drive into the town of Taunton, Somerset, where residents can access shops, amenities, and a railway station.

Taunton is situated on the River Tone and has a rich history dating back to the Saxon times. The town was an important centre for the wool trade in the medieval period.

***We are proud that our home really is the perfect place for you to call your home.***
