## WELCOME TO GUIDE LANE

**Situated just outside Manchester in the quiet, residential area of Audenshaw, Guide Lane is a purpose-built care home offering residential, nursing, and residential dementia care for up to 38 residents.**

Guide Lane offers a variety of places where residents can relax and socialise, including sitting areas, dining rooms and a quiet room. Our tranquil garden and conservatory are also popular spots to get some fresh air or soak up the sun. Each of our ensuite bedrooms, and all living areas, are fully wheelchair accessible.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans, created in collaboration loved ones, consider medical, personal, and dietary needs and preferences.

## FACILITIES AND LIFESTYLE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities with a focus on being active and engaged. Whether celebrating a special occasion together, or creating little moments that matter, our team ensure there is joy in every day.

With three nutritious and locally sourced meals a day as well as a mid-morning snack and afternoon tea, our residents enjoy a healthy diet based on their individual needs and preferences.
