BROOKWATER HOUSE

A luxury care home with a heart

"Our mother is incredibly happy at Brookwater. The homemakers are utterly delightful and very patient. Her morale has improved considerably, and we have observed the return of her sense of humour; she has begun taking pride in her appearance and the clothes she wears. The room is light and very comfortable, and the food is five stars. Thank you all so much." – DAUGHTER OF A BROOKWATER HOUSE RESIDENT

Our Approach

We believe it's the people that make a loving home.

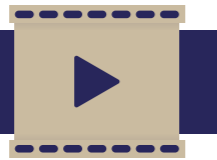

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Brookwater House is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

"Brookwater House is a gem of a care home. The Homemakers provide loving care with dignity and respect, are welcoming to all visitors, and respond quickly to requests. I have no hesitation in giving this home five stars, and to recommend it to anyone looking for a loving, luxury home for a loved one." – DAUGHTER OF A BROOKWATER HOUSE RESIDENT

"From the first time we walked into Brookwater House, we knew it was the right place for our mum. The home is a lovely, clean, bright environment with friendly and welcoming staff. We are very impressed with how caring, compassionate and informative they are. It's lovely for us as a family to know our mum is in safer and caring hands." – DAUGHTER OF A BROOKWATER HOUSE RESIDENT

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every mealtime an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

"The care my dad has been given is fantastic. He's so happy living at Brookwater. The staff are so kind and friendly, and nothing is too much for them. I would recommend to anyone." – DAUGHTER OF A BROOKWATER HOUSE RESIDENT
