## Our Approach

We believe it's the people that make a loving home.

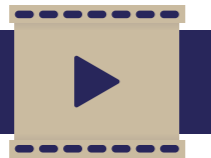

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Edwalton Manor is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

*"Lovely home and facilities but most importantly the staff are amazing. I cannot praise them highly enough which means the world to me as I know that my dad is in safe hands and that he is looked after well, both physically and mentally."* – DAUGHTER OF AN EDWALTON MANOR RESIDENT

*"I came to Edwalton Manor in a very sorry state - unable to walk, dysphasic and unable to use my hands. Thanks to the wonderful care and kindness received, nothing was too much trouble, I am well enough to take public transport and go into town and to live a good life, ready for independence when/if I choose. With the greatest of thanks to all staff, without whom I could not have made such an excellent recovery."* – DAUGHTER OF AN EDWALTON MANOR RESIDENT

## Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every meal time an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

## Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

*"The entire team at Edwalton Manor exceeded our expectations. The care provided was not just professional, but also filled with warmth and compassion. My grandmother emerged from her stay having made numerous new friends among both the staff and fellow residents."* — GRANDDAUGHTER OF AN EDWALTON MANOR RESIDENT
