"My mother seems content to be living at Milngavie Manor. My sister, brother and I feel we chose well when deciding where best for Mum to live when she could no longer cope at home alone." – DAUGHTER OF A MILNGAVIE MANOR RESIDENT

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every meal time an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life, and within Milngavie Manor you will find a designated Leisure & Wellbeing Lead who ensures that we create a nurturing and stimulating environment for all of our residents.

We advocate activities that promote physical and mental wellbeing, and we support our residents to continue with their hobbies or pursue new leisure activities.

We believe in the value of community, both within our home and wider society, and from our choir group to our weekly cinema clubs, there is always something for the local older community to get involved with.

"My brother is extremely well looked after. Staff are very good, and nothing is too much trouble. The establishment is clean and tidy with nice décor, food is good and nourishing, and entertainment is well planned and fun."
