NESBIT HOUSE

A luxury care home with a heart

"Nesbit House is outstanding! We're so happy we chose Nesbit House. Dad seems happy here, he's being looked after extremely well. I know I can ring up anytime and find out anything I need to know about Dad. Staff are very friendly and approachable and couldn't help us any better when we visit. I'd recommend this home 100%. In fact, four other people have come to stay at Nesbit House due to our recommendation" – SON OF A NESBIT HOUSE RESIDENT

Our Approach

We believe it's the people that make a loving home.

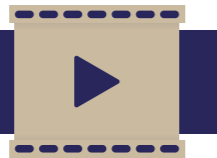

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Nesbit House is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every mealtime an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

"As soon as we stepped into Nesbit House, we felt it was the right place for our friend. The staff were very welcoming and understanding of our situation. When we came to settle our friend in - which was quite emotional for us, they were again so kind and understanding. Since being a resident, she has been treated with kindness and respect. So pleased we found Nesbit House Care Home." – POWER OF ATTORNEY OF RESIDENT

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

"I have been extremely happy with the care my father has been given. Nesbit House excels in the care and attention of their staff. They genuinely have taken a lot of effort to get to know my dad and his ways." – DAUGHTER OF A NESBIT HOUSE RESIDENT

Whatever you need to live the life that you want, you'll find it at Nesbit House.
