

# Hazelmere House

Your local Bupa care home  
in Wilmslow.

# Set in Cheshire's golden triangle

Here at our attractive purpose-built home we welcome anyone in need of residential and nursing care, including those with Huntington's or Parkinson's.

We're based in Wilmslow, a pretty town on the edge of the Peak District, just 10 miles from Manchester city centre. Locally, you'll find Quarry Bank, a former cotton mill with a house and gardens – great for a day out with visiting loved ones.

## Our care team

At Hazelmere House, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

**“My mother has been treated with courtesy, kindness and respect by all members of staff. She has made friends and takes part in many of the varied activities organised for the residents. Nothing is too much trouble for the staff. The environment is always clean and tidy. My mother's health has improved immensely over the past year; I would recommend Hazelmere House Care Home wholeheartedly.”**

# Life at Hazelmere House

Our warm and friendly community is based in a peaceful location on the edge of town, bordered by green fields. So there's lots to do, both inside and out, for residents as well as visiting family. Meal times offer residents the opportunity to socialise and nurture friendships, too.

## Activities

Our own coordinator plans a wide range of interesting activities to choose from, including for those who are less mobile. For example:

- canal trips and outings to Tatton Park, theatres and garden centres
- arts and crafts
- visiting choirs and music recitals
- gardening and painting clubs
- baking with residents' own recipes
- visiting petting zoo and mobile library
- annual trip to Blackpool Illuminations

Residents can still do most of their existing hobbies here. And they can always suggest something they'd like to try, as a group or in their room.

## Fresh, healthy food

We prepare delicious meals for residents to enjoy, either in the dining area or in the comfort of their own room. There are plenty of favourites on the menu and cold snacks are available at other times.

When they move in, we talk to each resident about their likes, dislikes and any special dietary requirements.

## Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they're going out and will need to eat at a different time, that's okay, too.

## Celebrating special occasions

If families would like to host a private party, we have four dining areas to choose from. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

## Visits from family and friends

Family and friends can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and tell us about any dietary requirements.

**“Very happy with our experience. Welcoming staff and atmosphere. Great care meeting the needs of my father. Always aware of dignity and wellbeing. My father stayed in Hazelmere House Care Home for three years, we were relieved he was so cared for.”**
