WELCOME TO HARRIER HOUSE

Located in Hucknall, Nottinghamshire, Harrier House Care Home offers residential, dementia, respite and day care. Our welcoming and compassionate team provide person-centred care, tailored around each individual and their own unique needs and preferences.

Harrier House has six separate care suites, each with its own restaurant-style dining room and lifestyle kitchen. With a range of lounges and relaxation areas, residents can find the perfect mix of social interaction in our beautifully decorated communal areas or privacy in our well-equipped and spacious bedrooms. Our catering team take great pride in preparing a great choice of high-quality fresh food for residents to nourish and enjoy.

LIFE AT HARRIER HOUSE

We host a varied and engaging programme of activities and events, designed to enhance residents' physical, mental, and spiritual well-being. From creative pursuits such as painting, baking, and gardening, to regular visits from local performers and entertainers, religious services, and local outings, our activities are curated to inspire and engage our residents.

For day-to-day enjoyment, we also have a choice of lifestyle facilities throughout the home, including a hair salon and nail bar for a little pampering, a café in our piano lounge, and our own pub, complete with beer garden, The King's Head. Residents also enjoy gathering to watch their choice of film in our Flicks cinema.

Harrier House is a home away from home, and our caring and experienced team is passionate about providing everything needed for a fulfilled and meaningful life.
