WELCOME TO HAVEN CARE HOME

Situated just off the coast in Peacehaven, Haven Care Home is a purpose-built care home offering residential, nursing, and residential dementia care for up to 36 residents.

In addition to tastefully decorated bedrooms, Haven provides a variety of communal areas for residents to relax, dine and socialise, including social lounges and ambient dining areas where a nutritious menu can be enjoyed. On warmer days much time is spent in our pretty landscaped gardens, which are often tended to by our green-fingered residents!

THE KINDEST POSSIBLE CARE

There's always something to be enjoyed at Haven Care Home, from partaking in a wide variety of activities, or a pampering session in our beauty salon. Others may prefer a peaceful afternoon in the reading room, or taking one of our regular trips to nearby places of interest in our specially adapted minibus.

We know that every individual has different needs, so our personalised care plans are designed to reflect the unique requirements and preferences of each resident. Our team take the time to discover what really matters to each person and help our residents to build a routine that reflects what that looks like for them.

The benefits of group living with like-minded individuals, together with our exceptional care and friendly, dedicated team, mean that every day can be enjoyed to the full at Haven Care Home.

We look forward to welcoming you
