

HAZELWOOD

CARE HOME

A PURPOSE BUILT CARE HOME, SPECIFICALLY DESIGNED
TO MEET THE NEEDS OF OUR RESIDENTS.

WELCOME TO HAZELWOOD CARE HOME

Established in 2000, Hazelwood Care Home's comprehensive facilities allow us to provide general nursing care for older people in our Primrose Unit on the ground floor, as well as dementia care with nursing needs in our Poppy Unit on the first floor.

It's our aim to make residents feel like Hazelwood is their home through a warm, welcoming and friendly environment. We want residents to feel settled from day one, no matter what their individual needs are by providing a life-long service.

Situated in Longfield, within the beautiful north Kent country side, Hazelwood is committed to supporting residents to get the best experience from every day.

OUR ACCOMMODATION

Hazelwood Care Home caters for everything you would expect and a little bit more with 50 tastefully decorated bedrooms with en-suite, a beauty salon, cinema room, dining and private dining areas as well as a sensory room and private gardens – you'll be hard pushed not to find something to do any day of the week.

We offer a comfortable and safe environment for elderly individuals, who can enjoy the benefits of group living. We pride ourselves in respecting privacy and choice, while promoting independence at all times.

OUR CARE

The well-being of our residents is our top priority. Our passionate team pride themselves in providing the highest quality of care and all of our staff are fully qualified and pro-active in their approach. We offer exemplary standards of Nursing, Residential, Dementia, Respite and Palliative Care.

Each resident is assigned a Primary Care Nurse, who will discuss and assess with them their needs, as well as develop a Person Centred Plan and monitor and review their care. All our staff are chosen for their maturity, warmth and caring attitude.

LIFE AT HAZELWOOD

Our in-house Chef and kitchen staff will cater for all dietary requirements, providing a full menu choice for breakfast, lunch and dinner. Residents can also enjoy a meal together with relatives and friends if they wish.

There's always lots to do at Hazelwood. We have Activities Co-ordinators who encourage residents to take part in group activities, such as exercise, bingo, quizzes and listening to music.

Our Activities Co-ordinators also spend time one-to-one with residents concentrating on person-centred interests. We also enjoy regular visits from outside entertainers including pianists and singers.
