WELCOME TO HODGE HILL GRANGE

Sitting in a peaceful suburban area of Birmingham, Hodge Hill Grange is a purpose-built care home providing residential, nursing, and residential dementia care for up to 52 residents.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans, created in collaboration with residents and their loved ones, consider medical, personal, and dietary needs and preferences to ensure support

provided is as unique as each resident.

Hodge Hill Grange provides a variety of communal areas for residents to relax, dine and socialise, including tastefully decorated ensuite bedrooms, ambient dining areas, and social lounges. For a spot of pampering, we have an on-site hair salon.

FACILITIES AND LIFESTYLE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities such as our 'Knit & Natter' group to keep our residents active and engaged in the community.

High quality, nutritious menus ensure that residents enjoy a healthy diet based on their individual needs and preferences. We are proud to offer a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand. The benefits of group living, in the knowledge that support is always on hand, mean every day can be enjoyed to the full at Hodge Hill Grange.
