*Inna Care is where compassion and wellbeing come together. Our aim is to provide high quality care, with flexibility and support, for those who need help with daily living and domestic tasks in their own home.*

*Our carers maintain the delicate balance between friendship and professionalism with all our clients.*

## ***Choose the level of care right for you and your family:***

- ***Temporary care services (for example during immediate discharge from hospital)***
- ***Regular care service to support you to continue to live independently at home with confidence***
- ***From 1 hour calls for helping you to get up from bed, medication prompting or safety checks, all the way up to several hours of care and support a day***
- ***Occasional, emergency or regular care to cover time like family holidays***
- ***24 hours or live-in care***

***We provide care for a wide range of physical and mental conditions, including Dementia, Alzheimer's, Learning Disabilities and Sensory Impairments***

***Inna Care Head Office, Suite 3,17, 3<sup>rd</sup> floor, Queens Court,  
9-17 Eastern Road, Romford, RM1 3NH***
