Welcome to Kings Court

Ideal Fresh Living

We are committed to improving our environmental impact and are proud that Kings Court is an EPC “A” rated care home. Using the very latest energy saving technology, Kings Court can be operated as a Carbon Free Green home running without the use of gas.

80% of the roof at Kings Court is covered in solar panels to generate electricity to help power the home and on site battery stores retain any spare energy for use another time.

The home also benefits from extensive ground source heat pump technology. This incredible use of the earth’s natural heat provides hot water heating and enables our residents to benefit from underfloor heating and comfort air cooling technology, positively impacting the environment, reducing carbon emissions and greenhouse gases.

We are delighted you are considering Kings Court as we understand what an important decision choosing the right care home is for you and your family.

At Kings Court, we offer 24 hour residential and dementia care in surroundings which create a great place to live. tasty *treats* ...

A variety of tasty, nutritious, menu options at all meal times.

Kings Court's varied menus of healthy meals all have a choice of options at breakfast, lunch and dinner. All food in the home is created using the best locally sourced ingredients and is prepared freshly on-site, and can be enjoyed wherever you prefer - perhaps in the well-appointed dining rooms or tea room with your fellow residents or more private dining, in the comfort of your room whilst catching up with the soaps.

Tuck into a hearty steak pie.

Our Chef makes sure that all dietary needs are met and our meals are nutritious – not to mention, very tasty! Chef also gains feedback from residents to ensure there are plenty of options which meet the preferences of the people who live with us.

Look forward to the ambient dining experience at Kings Court with the food being appealing both on the eye and on the palate.

The daily menu is made available around the home and residents can choose to eat together in the well-appointed dining areas or request for meals to be served in your room should you prefer. Even if you're not tempted by anything on the menu, Chef will always try to rustle up something that does meet your fancy.

You'll find snacks readily available throughout the home and we are partial to some tea and cakes in the afternoon. You are welcome to help yourself to hot drinks and our staff are always happy to make a brew.

There is always time for a cuppa and some cake – the only question is what type of cake!
