WELCOME TO KINGS PARK

Set near the market town of Ashton-under-Lyne in Hurst Cross and enjoying views over the surrounding countryside, Kings Park Care Home is a purpose-built home offering residential and dementia care for up to 40 residents.

Our experienced and caring team provide comprehensive, compassionate and dedicated care personalised to the needs of each individual resident, 24 hours a day.

A boutique home, Kings Park offers a variety of areas to relax, dine, and socialise, all of which are wheelchair accessible. Residents enjoy comfortable, ensuite bedrooms which they are welcome to personalise as they wish. Our garden and patio area is a favourite spot to soak up some sun, while our greenhouse allows green-fingered residents to enjoy planting flowers and vegetables.

THE KINDEST POSSIBLE CARE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged in the community. Whether celebrating special occasions or enjoying quiet moments, our team ensure every resident has a routine that brings them joy.

We are proud to offer a fun, safe, and inclusive space, where kindness and quality care go hand in hand. The benefits of group living, in the knowledge that care and support is always on hand, mean that every day can be enjoyed to the full at Kings Park Care Home.
