What We Do

Our big hearted and reliable CareGivers are trained to make a positive impact in our Clients' lives. Bringing more joy and happiness through kind, personalised, and imaginative care.

Home Care Options

- Companionship
- Personal Care
- Dementia Care
- Overnight Care
- End of Life Care

Peace of Mind

We have invested in technology that allows Kingsway CareGivers to post real time updates after every home care visit via a secure app called OpenPASS.

Kingsway Care Clients can choose to share this information with their family, friends or even GP.

Everyone can have peace of mind that our CareGivers are attending visits at the right time, completing the correct tasks and administering prescribed medication.
